

**WARRANTY
(LIMITED)
OVERHAULED
RECIPROCATING AIRCRAFT ENGINE**

The factory warrants each overhauled reciprocating engine sold by it to be free from defects in material and workmanship for a period of twelve (12) months from the date of first operation. Cylinders are warranted for a period of twenty four (24) months.* The date of the first operation must not exceed two (2) years from the date of shipment.

This warranty shall be limited to its choice of repair or replacement, on an exchange basis, of the engine or any part of the engine, when determined that the engine is defective in material or workmanship. Such repair or replacement will be made at no charge to you. This warranty will also bear the cost for labor in connection with the repair or replacement as provided in the current Removal and Installation Labor Allowance Guidebook.

Any engine or part so repaired or replaced will be entitled to warranty for the remainder of the original warranty period.

YOUR OBLIGATIONS

The engine must have received normal use and service. You must apply for warranty with a Distributor within 30 days of the appearance of the defect in material or workmanship.

This warranty does not cover normal maintenance expenses or consumable items. The obligations on the part of this warranty set forth above are your exclusive remedy and the exclusive liability. This warranty allocates the risk of product failure between you and the factory, as permitted by applicable law.

The manufacturer reserves the right to deny any warranty claim if it reasonably determines that the engine or part has been subject to accident or used, adjusted, altered, handled, maintained or stored other than as directed in your operator's manual, or if non-factory parts are installed in or on the engine and are determined to be a possible cause of the incident for which the warranty application is filed.

The manufacturer may change the construction of engines at any time without incurring any obligation to incorporate such alterations in engines or parts previously sold. THIS LIMITED WARRANTY IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS, EXPRESSED OR IMPLIED OR STATUTORY, WHETHER WRITTEN OR ORAL, INCLUDING BUT NOT LIMITED TO ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE, AND ANY IMPLIED WARRANTY ARISING FROM ANY COURSE OF PERFORMANCE OR DEALING OR TRADE USAGE. THIS WARRANTY IS ALSO IN LIEU OF ANY OTHER OBLIGATION, LIABILITY, RIGHT OR CLAIM, WHETHER IN CONTRACT OR IN TORT, INCLUDING ANY RIGHT IN STRICT LIABILITY IN TORT OR ANY RIGHT ARISING FROM NEGLIGENCE ON THE PART OF THE FACTORY, AND THE FACTORY'S LIABILITY ON SUCH CLAIM SHALL IN NO CASE EXCEED THE PRICE ALLOCABLE TO THE ENGINE OR PART WHICH GIVES RISE TO THE CLAIM.

LIMITATION OF LIABILITY

IN NO EVENT, WHETHER AS A RESULT OF A BREACH OF WARRANTY, CONTRACT OR ALLEGED NEGLIGENCE, SHALL THE FACTORY BE LIABLE FOR SPECIAL OR CONSEQUENTIAL OR ANY OTHER DAMAGES, INCLUDING BUT NOT LIMITED TO LOSS OF PROFITS OR REVENUES, LOSS OF USE OF THE ENGINE OR COST OF A REPLACEMENT.

No agreement varying this warranty or the factory's obligations under it will be binding upon the factory unless in writing signed by a duly authorized representative of the factory.

Effective March 2002, Revision "L"

* Excludes O-235 series cylinders that have the same warranty as the engine.
