

# AIR POWER<sup>®</sup> INC.

November 20, 2019

Dear Sir/Madam:

Thank you for the opportunity to provide aircraft parts and engines for your business!

In regards to your request for compliance requirements for FAA and DOD regulations, please accept the following statement in fulfillment of those requirements:

Air Power Inc. is a Texas corporation that distributes/supplies quality certified aircraft parts and engines from OEM & other manufacturers. Air Power Inc is an authorized distributor for Lycoming, Continental Aerospace Technologies, Cleveland Wheel & Brake, Barry Controls, Superior Air Parts, Hartzell Engine Technologies, SkyTec, Kelly Aerospace, AVStar, and Curtis Superior Valve. Air Power Inc. is not an over-hauler, rebuilder, or modifier of aircraft parts. Visit our website [www.airpowerinc.com](http://www.airpowerinc.com) for the Air Power Inc self audit.

Air Power Inc. has an in house quality control system that meets FAA guidelines, including, but not limited to incoming inspection, preservation and storage, and pre shipment inspection of all parts. Vendor FAA 8130's are supplied, if applicable, or upon request.

Our sister company is Van Bortel Aircraft, an authorized Textron Aviation Dealer for Cessna Single Engine, Multi Engine, PropJet, and Caravan. Their credentials are available on their website. [www.vanbortel.com](http://www.vanbortel.com)

Please call me at 1-800-938-7278 and let me know if I can be of any further assistance.

Cordially,

Michaelle Barnes  
Parts Sales Manager
